

Juniors Report 2025

CLOK Juniors Training

After many successful monthly sessions during 2024, the number of juniors needing Level 1 training dwindled in early 2025, as many had naturally progressed to the North East Junior Squad and there were no new juniors starting.

So, in April 2025, the sessions were paused and currently remain so.

Neil Hunter
CLOK Junior Coach

North-East Junior Squad

Report will appear here.
